Subject: Final Removal Action Work Plan

Hi Gary –

Per your request in our telephone conversation last week, attached is the Final Removal Action Work Plan for attachment to the AOC. As we discussed, this final version replaces the references to the TPDES Multi-Sector General Permit on pages 8 and 11 with references to the TPDES industrial wastewater permit requirements. I am attaching the text file in Word and the entire Work Plan (text, tables and figures) in Adobe. Please let me know if you have any questions/comments or would like me to send you a hard copy.

Thanks.
